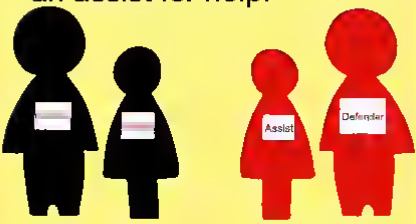
Rules:

The finalists will become the defenders of their own brands. Each need to choose an assist for help.



The assist who loses his or her own tag will be eliminated.

Rip off your enemy defender's tag to win the game.

I'm ready! Anyone dare to tear it off?
Well done

Where should I put it?

Ethan...This is only a game ...

No need to talk...
You traitor!

If you don't like it,
I can let you go back to Ethan.

No need.
BH

I don't need him at all!

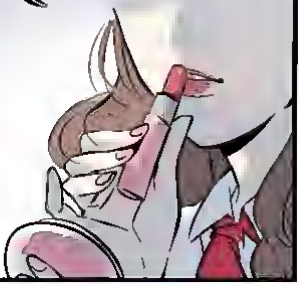
Don't worry, I'll protect you.

Ethan...

One hour ago

If you choose Dorian,

I'll let you win. Deal?



Whatever, but I know there's some gossip about you and Ethan.
I wonder if he would mind making a team with you.

In order to get more topics about you, you must always stick to Ethan even if he dislikes you.
